Pocket Heart Valentine Template

DIRECTIONS

1. Trace template onto double-sided 12x12 paper. (Enlarge or reduce if desired - 4 hearts will fit on one 12x12 with provided size.)
2. Cut out along solid lines.
3. Score along dotted lines.
4. Fold "petals" up to create pocket.
5. Secure pocket with adhesive or brad.
6. Embellish with glitter, ribbon, stickers, stamps, etc.

Fill pocket with a coordinating card, candy, love note, gift card, or anything your heart desires!
